Gordon Bowers came to Lakeway (TX) as Police Chief on September 1, 2005, after retiring as Investigations Captain of the Burbank (CA) Police Department with 34 years of law enforcement service. In addition to Bachelor's and Master's Degrees, Chief Bowers is a graduate of FBI National Academy, California POST Command College, and FBI Southwest Command College. He is a Texas Master Police Officer, and has been published in the FBI Law Enforcement Bulletin, Police Chief, Journal of California Law Enforcement, The Evidence Log, and Pacesetter.

Gordon has been active on the Board of the International Association for Property and Evidence (IAPE) for thirteen years, and during ten of those he also was editor of The Evidence Log, their quarterly professional journal. He has participated in property and evidence audits of ten law enforcement agencies, and in the development of property and evidence policy and procedures for two organizations and a dozen law enforcement agencies. Gordon is a Life Member of the International Association of Chiefs of Police and of Police Futurists International, and is one of only two sworn officers in the State of Texas holding active Advanced Planner certification through the International Association of Law Enforcement Planners. Locally, he is serving his second year as Vice-President of the Capital Area Law Enforcement Executives Association. Gordon and his wife Susan enjoy their Koi pond and entertaining guests at home, boating on Lake Travis, and everything they can do with their five kids and seven grandkids scattered across the country.
