

Oversight Boards Issues to consider

Pete Marone

Virginia Department of Forensic Science

Organizational Structure

- What kind of entity?
- One or two?

- In Virginia, there is a Scientific Advisory Committee and a Forensic Science Board

Structure continued

- Mission, duties and authority of entity
- Funding and (support) staffing

Issues to Consider With the Structure

- Who constitutes the membership?
- Conflicts of interest?
- If two entities, how are issues resolved?

Transaction of Business

- Meeting attendance
- FOIA compliance

Questions for the Future

- How will state or local entities mesh with federal accountability entity?
