

Douglas County Human Resources

Crime Laboratory Manager

Sheriff

3601 North 156th Street

Omaha, Nebraska

Full Time

Starting Salary Range: \$5,607.33 to \$8,415.33 Monthly

Closing Date: August 13, 2010 at 4:30 pm Central Time

Qualifications

Graduation from an accredited college or university with a degree and major coursework in chemistry, physics, biology or other forensic science study. Master's degree preferred. Five years experience in crime scene investigation which included evidence collection, preservation and analysis including two years of administrative responsibility to include program supervision in an ASCLD format, plus experience assisting with budget planning and preparation and personnel selection and supervision. Experience and/or training in operating the Automated Fingerprint Identification System (AFIS). Experience and/or training in operating personal computers and attendant software. Must possess and maintain a valid driver's license and own mode of transportation at the time of hire and throughout the course of employment.

Primary Function

Under the direction of the Douglas County Sheriff, Captain of the Criminal Investigation Bureau (CIB) or designee, the incumbent manages a twenty four hour per day/seven day per week operation that provides forensic services to federal, state and local law enforcement agencies in Douglas County and the Omaha metropolitan area and is responsible for all forensic science and evidence control aspects of the Douglas County Sheriff Crime Scene Investigation Division. The incumbent supervises assigned personnel in all phases of crime scene investigation to assure procedures are performed in strict adherence to established statutes, regulations, and standards as well as guidelines established by the Commission on Accreditation for Law Enforcement Agencies (CALEA) and the American Society of Crime Laboratory Directors (ASCLD). The incumbent will also provide expert court testimony as required. Perform other related duties as assigned.

Applications must be completed and received by 4:30 pm Central Time on or before the closing date. Apply online at: <http://agency.governmentjobs.com/douglas/default.cfm>
