

President Message

Greetings Colleagues,

During the 68th Annual meeting of the American Academy of Forensic Sciences, I had the pleasure of presenting ASCLD update during the Criminalistics Section business meeting. I have provided a copy of that presentation with this message. Included in the presentation are talking points (in blue) so that all members can have the information that was presented. I want to thank Chair John Lentini and the Criminalistics Section for the invitation to provide the update on behalf of the ASCLD membership.

Last week the ASCLD Board of Directors met for the Spring 2016 Strategic Planning Session. It was an incredibly productive meeting and the Board is looking forward to continuing its efforts on behalf of the membership in pursuing ASCLD's mission, "Excellence through leadership in forensic science management." The Board identified several strategic initiatives that will continue the hard work of previous Boards and ensures ASCLD's bright future. The Board of Directors worked diligently to formulate the strategic plan and it will be published for the membership's review in advance of the annual ASCLD Symposium.

As my time nears completion as ASCLD President, I can't express my heartfelt gratitude to the Board of Directors, the ASCLD staff, and most importantly the membership for their support and participation in our activities and achievements this past year. It has been an incredible experience!

Warmest Regards,

Jody

Public Crime Lab Funding Webinar: Register to Learn How to Submit a Strong Proposal

On Tuesday, March 8 from 2:00-3:00 PM ET, NIJ scientist Frances Scott will host a webinar that provides details and guidance for potential applicants to NIJ's Research and Evaluation for the Testing and Interpretation of Physical Evidence in Publicly Funded Forensic Laboratories Solicitation. [Review the solicitation.](#)

Dr. Scott will describe the goals of the solicitation, review expectations and requirements for applicants, and answer questions from webinar attendees. [Register now.](#)

Can't make it? [Sign up to receive notice when the webinar transcript is available](#) or learn about how to [become a paid peer reviewer.](#)

ANNOUNCING: AAFS Academy Standards Board Call for Applications for Consensus Bodies

The Academy Standards Board (ASB) of the American Academy of Forensic Sciences (AAFS) is an ANSI-accredited Standards Development Organization. It is announcing the formation of Consensus Bodies. Each will have 7 to 25 members based on applications received. Members will be selected by the Board of Directors of the ASB. The ASB has eight interest categories, and applicants are encouraged to apply in their self-selected interest category. A person may apply to one or more Consensus Bodies, and need not indicate the same interest category for each Consensus Body application. The Documents & Forms tab on the ASB website also contains links to several relevant documents describing the ASB.

Applicants are requested to submit forms to be considered for serving on any of the Forensics Consensus Body. Questions: asb@aafs.org

When filling out the Application for a Consensus Body, there is a section concerning Interest Groups. [Click here for detailed descriptions of the Interest Groups.](#) The form also requires choosing a Consensus Body. [Click here for a detailed description of the Consensus Bodies.](#)

The Consensus Bodies currently accepting applications are as follows (please note the application closing date):

- Bloodstain Pattern Analysis – April 12, 2016
- Disaster Victim Identification – March 29, 2016
- DNA – March 15, 2016
- Firearms and Toolmarks – April 12, 2016
- Friction Ridge – March 29, 2016
- Footwear and Tire – April 12, 2016
- Forensic Document Examination – April 12, 2016
- Medicolegal Death Investigation – April 12, 2016
- Odontology – April 12, 2016
- Patterned Injury – April 12, 2016
- Wildlife Forensics – March 15, 2016

<http://news.aafs.org/asb/asb-call-for-consensus-bodies-members/>

Scholarship Opportunity

Do you know a student who is in the process of obtaining a degree related to the field of forensic science and may need financial assistance? If so, ASCLD's annual scholarship solicitation is now open and accepting applications. The annual award is in the amount of \$1000.

Please reach out to prospective applicants as soon as possible as the due date (April 15) is quickly approaching. The application can be found on the ASCLD website <http://www.asclcd.org/nominations/>

Eligibility

Applicants must be a junior or senior in a baccalaureate program or a graduate student (masters or doctorate) at an accredited university who is pursuing a degree in forensic science, forensic chemistry, a physical or natural science. Applicants from FEPAC accredited programs will be given additional consideration. High school students or college/university students in their freshman or sophomore years will not be eligible for application. As the scholarship program was created to provide opportunity to students intending to enter the forensic field, scholarships will not be granted to current forensic science laboratory employees pursuing graduate degrees.

Selection criteria

- Award recipients will be selected on the basis of:
- Overall scholastic record
- Scholastic record in forensic science coursework
- Motivation or commitment to a forensic science career
- Personal statement
- Faculty/adviser recommendation

Professional Orientation School for New Crime Lab Scientists - ONLINE!

John Collins with the Forensic Foundations Group is announcing 3 online Professional Orientation Schools for New Crime Lab Scientists starting May 2, May 10, or July 20. Each school is comprised of 8, 2-hour online sessions over four weeks with a final examination. Maximum 20 students per school. Please visit www.forensicfoundations.com/scheduled-workshops to view the schedule and/or register. Students should first register for free as a "Friend of the Group" to qualify for the discounted \$245 registration fee. Please call John at [\(517\) 803-4063](tel:5178034063) if you have any questions.

Law Enforcement Innovation Center

Expert Witness Online Training
Course Description:

- Factors that influence the selection of an expert
- The importance of investigating an expert's credentials
- How to make an informed decision of an expert's credibility
- Legal standards of admissibility of scientific evidence
- Attorney's ethics in dealing with experts

National Latent Print Examiner Training Academy

April 24, 2016 – September 23, 2016

RS&A now offers an intense 20 week training program designed to provide agencies with a Latent Print Examiner who is trained to competency. This academy, with 800 hours of formal training, will produce graduates that are capable of performing "supervised case work" and once time requirements are met, be ready to apply for IAI Latent Print Certification. It is scheduled to begin April 24, 2016 in Hattiesburg, MS at the Camp Shelby Joint Forces Training Center. Only 25 academy applicants will be selected to attend so apply today! The total cost for this program including academy tuition, 20 weeks room and board, and 3 meals per day is \$27,500.00.

Click [here](#) for complete details, photos, and the admission application.

National Footwear & Tire Track Training Academy

Coming Fall 2016

RS&A now offers a Footwear and Tire Track Training Academy which includes 4 weeks of footwear examination training followed by 2 weeks of tire track examination training. Applicants can elect to complete the entire 6 week footwear and tire track academy or break it up and choose only the 4 weeks of footwear training or the 2 weeks of tire track training. The academy graduates of this 6 week program will learn the skills necessary to complete supervised footwear and tire track casework and will be ready to apply for a IAI Footwear Certification once time requirements have been met. It is scheduled to begin Fall of 2016 in Hattiesburg, MS at the Camp Shelby Joint Forces Training Center. Only 20 academy applicants will be selected to attend. For the entire 6 week footwear and tire track academy the cost is set at \$11,250.00. The 4 week footwear only academy is set at \$7,500.00 and the 2 week tire track only academy is \$3,750.00. Cost
