**JOB TYPE:** Full Time

**DEPARTMENT:** 04-001 Police

**VACANCIES:** 2

### **GENERAL DUTY STATEMENT:**

Performs professional work applying forensic science methods in the investigation of crimes; conducting laboratory analysis of evidence; providing consultation; and testifying as expert witness in a court of law. Applies established department standards and forensic best practices to examine evidence and render results. Assists with large, complex projects and completes individual assignments as directed. Documents evidence and writes reports, providing results to the laboratory manager. Upholds the ethical and legal standards of the department. Performs other related duties and responsibilities as required.

Essential Functions are the functions that the individual holding the position must be able to perform unaided or with the assistance of a reasonable accommodation. The Essential Functions for this position are identified in the Supplemental Information section of the [Forensic Scientist II Job Description](#).

### **REQUIREMENTS:**

A Bachelor's Degree in Chemistry, Biology, Biochemistry, or a related scientific or criminal justice field. Relevant experience may be substituted for education on a year for year basis.

Must obtain and maintain a Latent Print Examiner certification through the International Association for Identification. Continued employment is contingent upon obtaining certification within 18 months of the appointment. Failure to obtain a Latent Print Examiner certification during the defined 18 month period or failure to maintain the certification during employment may result in termination as a Forensic Scientist II.

Two years of experience working within an accredited laboratory to include principles and practices of latent print development and comparison.

Must possess and maintain a valid Minnesota Class D driver's license, or equivalent out-of-state driver's license. The driver's license must have no suspensions or revocations for driving-related offenses within the two year period prior to the date of appointment. Suspensions for parking-related offenses are excluded.

### **BY CLOSING DATE, YOU MUST:**

1. Submit City of Saint Paul online application, including answers to the Supplemental Questionnaire.
2. Upload or submit the following required document(s) via the online application system, mail, in person, email, or fax. (Zip files and web links will not be accepted. Each uploaded attachment is limited to 10MB.)

1. A legible copy of your proof of education (unofficial transcript is acceptable), and
2. A legible copy of your Latent Print Examiner Certification.

#### **SELECTION PROCESS INFORMATION:**

**Additional information about the City of Saint Paul, the Forensic Services Unit, and salary and benefits can be obtained by viewing the [position profile](#).**

**Exam Subject:** Training and Experience Exam

The Training and Experience Examination is the Supplemental Questionnaire within the application. This is an essay-type test in which you are asked to describe your education, training, and experience in areas related to this position.

**Step 1:** Be sure to provide complete and detailed information regarding your education, experiences and training in the listed areas. This information is subject to verification from current/former employers. You must submit your completed application and supplemental questionnaire by the application deadline.

**Step 2:** Subject Matter experts will evaluate your answers to the questions. You must receive a score of 75% or higher to pass the exam and be considered for the position. Those who pass will be placed on the eligible list and all will be notified of their status. Hiring managers can hire from the eligible list during a one year period. You will be notified if invited to interview for a job opening.

#### **Please note:**

- Your resume and application are not part of the exam. Do not write "see resume" as you are answering the supplemental questions. The person(s) rating this exam does not have access to your resume and will know only what you document on this training and experience exam.
- Your answers may be drafted in a word processing program and copied into the appropriate exam question text box. You should periodically save your work in progress to avoid losing information, if you are timed out of the system.

#### **GENERAL INFORMATION:**

**Open Job Posting:** This posting is open to anyone who meets the position requirements.

**Eligible Lists:** Eligible lists typically are created from a pass/fail exam. Those who pass the exam will be placed on an eligible list for approximately one year. Hiring Managers may interview/hire anyone from the list.

**Final Selection Process:** A Hiring Manager will consider applicants placed on the list of eligible candidates. You will be notified if you are invited to participate in the final selection process which may include an interview, job simulation, work sample submission, or other evaluation method.

**Condition of Employment:** This position may require a background check, medical examination, driver's license check, credit check and/or a drug test as a condition of employment.
