## American Society of Crime Lab Directors Crime Lab Minute

### General Announcements

Hi All:

Over the last several months, a new version of the ASCLD website has been under development. I am happy to say that the new website has now been launched and is ready for use. I hope you will find the new site look and feel to be more user friendly and easier to find information you need. Your feedback over the next few months will lead to continued improvements.

The website address is still [www.asclcd.org](http://www.asclcd.org). If you have a cached version of the old site, you will need to refresh your browser to see the new site. ASCLD members can log into the members area by entering your email address and ASCLD member ID. If you don't know your member ID, please check with the ASCLD office at [office@asclcd.org](mailto:office@asclcd.org).

You'll also notice that the Crime Lab Minute Newsletter is being delivered by a new email system, MailChimp. This new system should help resolve some of the duplicated emails and odd delivery times that have been experienced over the last few months. Links from previous CLM newsletters will no longer work since they referenced documents on the old website.
