

## Laboratory LEAP Sign-up Form

The Laboratory & Educators Alliance Program (LEAP) was created to facilitate collaboration between Forensic Science Laboratories and University Educators/Researchers. This program is a joint partnership between the American Society of Crime Laboratory Directors (ASCLD) and the Council of Forensic Science Educators (COFSE). LEAP is coordinated through the ASCLD Forensic Research Committee and the COFSE Research Committee.

If your laboratory is interested in hosting an intern or partnering with a university, please fill out this form. The information provided will be available online for potential students or educators/researchers to identify a laboratory contact. It is recommended, but not required, to use a non-personal email address. Please note that you may receive additional emails as this information will be publicly available.
